Dennis,

I have uploaded all of the information for Des-Bee-Dove, Cottonwood/Wilberg, Trail Mountain #9, and Deer Creek from the pipeline into the permanent database. A report is attached.

It seems like you have included all required samples and parameters for the first quarter of 2006. This will be verified by the assigned hydrologist, you may want to verify for yourself first to avoid having delinquent data. If you do not know how to check the data in the database, please let me know and I can send you instructions.

Please let me know if you have any questions.

Thank you,

The water quality data is ready for upload into the Division's database. This submittal is for the 1st quarter of 2006 in full.

If there are any deficiencies in this 1st qtr. submittal, please contact me by June 27th so that I may complete the submittal prior to its deadline.

Thanks!
